

## MEDA

Maharashtra Energy Development Agency (MEDA) is the "State Designated Agency" for implementation of Energy Conservation Act, 2001. Among other things, it also facilitates energy conservation programs in the State. MEDA is also the "State Nodal Agency" of Ministry of New & Renewable Energy, GoI for the development of non-conventional energy sources in the state. MEDA is assisting the efforts in the implementation of the Green Building design concept in the State of Maharashtra.

## ADaRSH

### Mission

ADaRSH is mandated to promote development of green buildings and habitats in India through GRIHA.

### Goals of GRIHA

To help develop resource-efficient and healthful buildings through rating, training and advocacy.

### Training programmes on GRIHA

ADaRSH organises 3-day training programmes on GRIHA across the country, round the year.

### Highlights of GRIHA Training Programme

Insight into green building design and process adopted to design, operate and evaluate green buildings

1. Integrated Approach to design: Hands-on group exercises are included to give a feel of integrated design.
2. Performance based design: Exercises to evaluate GRIHA criteria follow presentations.
3. Demonstration of select software tools for designing green buildings and systems with hands-on training.
4. Best Practices for prescriptive criteria under GRIHA and references to the national standards.
5. Demonstration of online tool for GRIHA Evaluation and documentation.

**GRIHA Certified Trainers** are well-equipped to help GRIHA projects in facilitation and documentation. They can also conduct awareness programmes on green buildings and GRIHA.

**GRIHA Certified Evaluators** are likely to be engaged by ADaRSH in reviewing GRIHA criteria of projects in their field of expertise on a remunerative basis. They can also take active part in the evolution of GRIHA rating tools.

## FAQs

### Who are the faculty for this training programme?

Professionals from TERI, ADaRSH, and alumni of previous GRIHA E&T Programmes.

### Who should attend this training programme?

Building professionals, architects, engineers, developers, and policy makers.

### What is the benefit of attending this programme?

It will enhance knowledge on Green Buildings and be helpful in taking the Evaluator & Trainer examinations.

### What about a certificate?

Candidates successful in the Evaluator / Trainer exam shall receive a certificate valid for two years. A certificate of participation shall also be given.

### What are the fees for participation?

Registration fee Rs. 7600 /- (inclusive of service tax)

### What about accommodation?

Accommodation has to be arranged by the participants themselves. The programme is non-residential.

### If you have other questions...
