(Association for Development and Research of Sustainable Habitats)

announces

WEBINAR on GRIHA for students of architecture

ADaRSH is a society jointly established by Ministry of New and Renewable Energy, Government of India (MNRE) and The Energy and Resources Institute, New Delhi (TERI) to implement GRIHA, India's National Rating System for sustainable habitats.

GRIHA is an acronym for Green Rating for Integrated Habitat Assessment.

GRIHA is a rating tool that helps assesses the performance of a building against certain nationally acceptable benchmarks. It evaluates the environmental performance of a building holistically over its entire life cycle.
