

***“Developers of a Green Nation”***  
**An ADaRSH Initiative**

**ADaRSH is committed for you to be GRIHA compliant and shall:**

Facilitate GRIHA registration of projects

Waive registration fee for ten professionals & provide preferred participation for future GRIHA awareness and technical training programmes across the country

Share two sets of GRIHA Manuals

Showcase GRIHA registered projects and green initiatives at various ADaRSH platforms such as the newsletter, website, training programmes and annual conference

Share and encourage the use of ‘*GRIHA committed*’ logo of ADaRSH

Identify joint activities to showcase and promote your green and GRIHA related initiatives in regions of influence

Facilitate annual networking and interaction with ‘*Developers of a Green Nation*’ and relevant stakeholders of the building and construction industry

***As***

***“Developer of a Green Nation”***

We shall favorably consider future construction to be GRIHA compliant.

As engagement to *bridging buildings, business and bio-climate*, shall undertake advocacy of GRIHA as Associate Members.
