

KASA RASA

*Making room for our
waste*

reduce, reuse, recycle, refuse, recover, repair, restore, reclaim

reduce, reuse, recycle, refuse, recover, repair, restore, reclaim

reduce, reuse, recycle, refuse, recover, repair, restore, reclaim

- Waste Sensitive Communities
- Less Plastic for Me
- E-Waste Management
- Tetra Pak Collection

Providing professional waste management services to companies, Schools, households and communities.

Collectively we recycle 7,000 kgs of waste per day from our clients

Providing livelihood opportunities and strengthening the informal Sector involved in collection and recycling of waste.

- Management of waste at source
- Composting/processing of organic waste
- Retrieval for recycling of other waste
