GRIHA Council Welcomes You To

15th GRIHA SUMMIT

“Empowering sustainable and resilient communities”
PARTNERSHIP PROPOSAL
FOR
15TH GRIHA SUMMIT
“Empowering sustainable and resilient communities”
Communities stands at the core of climate action. Representing the strength to drive sustainable & resilient development, they are the driving force for building a sustainable future. The 15th GRIHA Summit poses a great opportunity to:

- **Foster** sustainable & resilient development by empowering local communities.
- **Recognize** community groups that have achieved sustainability milestones with commitment & dedication.
- **Identify** facilitators of holistic development & **explore** innovative solutions to empower sustainable & resilient communities.
INTENT OF GRIHA SUMMITS

PROMOTING SUSTAINABLE AND CLIMATE RESILIENT PATHWAYS IN BUILT ENVIRONMENT

Awareness & Knowledge Sharing
Foster knowledge dissemination & exchange of ideas, share best practices and research findings

Support Research & Innovation
Provide platform for showcasing & highlighting innovative solutions, cutting-edge technologies, case studies & success stories

Foster Global Outreach & Collaboration
Strengthen the network of individuals & organizations by fostering partnerships towards building climate positive pathways & sustainable development

Policy Advocacy
Advocate for sustainable, effective and comprehensive policies by bringing together multiple stakeholder groups
EXPECTED STAKEHOLDERS

- International agencies, bilateral & multilateral organizations
- National/ Sub-national regulatory bodies
- Financial Institutions & Investment Bankers
- Public Sector Entities, NGOs, Community Groups
- Project Developers & Building Practitioners
- Press & Media Centres

- Associations related to carbon sequestration & trading

- Construction & Building Industry & Manufacturers

- Technology Innovators, Corporates & Start-ups

- Academic & Research Institutions
Acts as a catalyst in providing transformative actions for a paradigm shift in the construction and building industry towards adoption of sustainable practices.

Provides diverse rating variants, certifications, products & services aligning with the national & global vision.

Recognized as a powerful tool to evaluate resource efficiency in the built environment as India’s own national green buildings rating system.

We, at GRIHA Council, stand for credibility, integrity and inclusiveness, while upholding Indian ethos for future-ready and sustainable habitat.
GRIHA FOOTPRINT

- 3700+ Registered projects across the country
- 63 million square metre footprint
- 870+ Buildings successfully rated
- 533 MWp renewable systems installed
- 28,000 Trees Preserved
- 28,000 Trees Preserved
GRIHA IMPACTS

- 2,97,38,818 MWh Energy Savings
- 83,93,398 Tons CO₂ Prevented
- 10,36,24,420 kL/annum Water Savings
- 2,66,770 Trees Planted
ASSOCIATIONS WITH GREEN PRODUCT MANUFACTURERS

- 3210 Products enlisted in GRIHA Product Catalogue
- 673 Product manufacturers associated with GRIHA
- 78 Product typologies enlisted in GRIHA Product Catalogue
- 428+ Product manufacturers eligible for tender bids
ASSOCIATIONS OF GRIHA COUNCIL

Government
MNRE, MoHUA, MoEFCC, Central Vista Project, BEE, Govt. of Maharashtra, Govt. of UP, Govt. of Andhra Pradesh, AIIMS, IIM, IIT, JIPMER, IOCL, IIIT, AAI, LIC, UIDAI, NHB, CPWD, PWD, NAREDCO, Supreme Court of India, HAL, Landport Authority of India, Bamboo Research and Training Centre, Maharashtra, PCMC, KIIF, Bhopal Smart City Dev.Corp.Ltd. etc.

In its third biennial update report on India acknowledged GRIHA in the field of carbon mitigation in the building sector.

2015

Intended Nationally Determined Contributions (INDC) document at COP 21

Global Smart Build Award

GRIHA Council awarded as the National Brand of the Year

2023
PARTNER WITH US

Collaboration & Networking Opportunities
Forge meaningful partnerships with industry leaders & policy influencers towards sustainability

Targeted Marketing Campaigns
Receive maximum visibility by leveraging our marketing channels.

Enhanced Brand Visibility
Showcase your brand prominently to diverse audience

Knowledge Sharing & Innovation
Gain access to latest cutting-edge technologies, best practices, innovations in sustainability

Leadership Engagement
Make significant impact through knowledge & experience sharing at the panel discussions, workshops.
YEAR-LONG BENEFITS
(For More Details Please Refer to Annexure I Attached with the email)

**Research & Development**
- Participation in GRIHA training programmes.
- Providing technical assistance for research in sustainable development.
- Access to GRIHA CP exam.
- Engagement in key sustainability programs showcasing cutting edge technologies, innovative products and services.
- Technical development.

**Branding & Marketing**
- Branding opportunity at WSDS (international platforms).
- Visibility in regional summits.
- Green building products enlistment.
- B-B meeting with key policy makers.
- Branding & logo recognition on event signages, official programmes, invitations, brochures and flyers, GRIHA Summit website, GRIHA newsletters.
- Inclusion in advertising campaigns across print, social, radio and television, GRIHA Summit sessions.

**Networking & Outreach**
- Social media campaigns.
- Association with NASA (architecture students body).
- Media engagement activities.
- Database of building industry professionals.
- Interaction with professionals, industry experts, policy makers.
- Exhibition spaces, product sampling, interaction with clientele, media.
- Technical development.
- Research & Development.
- Branding & Marketing.
- Networking & Outreach.
