Ramesh is a Chartered Accountant and MBA graduate from the Indian School of Business. He has over 7 years of work experience in the financial markets space in addition to about 7 years of entrepreneurial experience in the Social Enterprise sector. He is the co-founder & C.E.O of TWU.

Three Wheels United India Services Private Limited (TWU) is a Bangalore based social enterprise. Currently, the organization is working on the auto rickshaw ecosystem in Bangalore, India with core objectives -

a) bettering the quality of lives of auto rickshaw drivers and

b) achieving environmental impact.

With its three-pronged solution – financial services, alternate channels of revenue and clean energy options for auto-rickshaw engines – TWU works towards improving earnings for the drivers by over 70%, improve mileage by 30-50%, reduce harmful emissions from the rickshaws by about 40% and very importantly, bring these drivers into the societal mainstream.
