Graduated from the School of Planning and Architecture (New Delhi) and The Architectural Association (London) with a graduate diploma in Housing and Urbanism and a second graduate diploma in Graduate Design, Sonali is Founder Partner of Morphogenesis, one of India’s leading award-winning Architecture and Urban Design practices. Morphogenesis has been ranked yet again, for the fifth time running, among the Top 100 Architectural Design Firms worldwide by Building Design Magazine, UK in WA100, 2016.

Sonali is member of the Delhi Urban Arts Commission (DUAC), and Fellow of the IIA (Indian Institute of Architects) and the RSA (Royal Society of Arts, UK). Issues related to the environment, sustainability and urban arts are at the core of Sonali’s design attitude.

The practice is the recipient of over 75 awards and has featured in over 500 publications, both International and National. Sonali, along with Manit, has recently been awarded Laureate of the SIA Getz Award for Emergent Architecture in Asia, Singapore, which seeks to bring recognition to Asian architects, who through their vision and commitment have made a significant contribution in shaping the changing landscape of Asia. Sonali has recently been listed among the 10 icons of the design world by the celebrated Platform Magazine, the only woman in a list populated by the stalwarts of Indian Architecture.
