GRIHA Council

Mission
GRIHA Council is mandated to promote development of green buildings and habitats in India through GRIHA rating.

Goals of GRIHA
Inspire, enable and engage with society, to achieve sustainable habitat for all through GRIHA rating.

Training programmes on GRIHA
GRIHA Council organises 3-day training programmes on GRIHA across the country, round the year.

Highlights of GRIHA Training Programme
Insight into green building design and processes adopted to design, operate and evaluate green buildings.
1. Integrated Approach to design: Hands-on group exercises are included to give a feel of integrated design
2. Performance based design: Exercises to evaluate GRIHA criteria.
3. Best Practices for prescriptive criteria under GRIHA and references to the national standards.

GRIHA Certified Professionals are well-equipped to help GRIHA projects in facilitation and documentation. They can also conduct awareness programmes on green buildings and GRIHA.

GRIHA Certified Evaluators are likely to be engaged by GRIHA Council in reviewing GRIHA projects in their field of expertise on a remunerative basis. They can also take active part in the evolution of GRIHA rating tools.
