Residential Project under NILP on area measuring 53.38 ACRES AT SECTOR - 79

Gurugram, Haryana

Residential Project under NILP on area measuring 53.38 ACRES AT SECTOR - 79

Strategies implemented:

- Labour Personal Protective Equipment (PPEs) was provided on site.
- Clean drinking water & sanitation facilities.
- Installation of safety signages in local languages to enhance labour awareness.
- Conduct regular training sessions to prevent any accidents or mishaps.
- Dedicated first aid room equipped with all essential medical supplies and bed facilities.
- Qualified doctor is available on-site for 8 hours daily, and an ambulance is stationed to handle any major medical emergencies.
- Provision of crèche facility for the children of labourers
