January 09, 2014

Ms. Mili Majumdar
Secretary cum Treasurer
ADaRSH
A-260, Defence Colony
Bhisham Pitamah Marg
New Delhi

Dear Madam,

SIDBI Scheme for Financing Green Buildings

As you may be aware of Small Industries Development Bank of India (SIDBI), set up under an Act of parliament, acts as the apex financial institution for the promotion, financing and development of Micro, Small and Medium Enterprises (MSMEs) in India. As a part of business development of the Bank, Sustainable Finance which involves financing investments in energy efficiency and cleaner technology measures, pollution control equipments, waste water management, fuel switch measures (CNG/LPG vehicles), new & renewable energy, green buildings, etc; has emerged as one of the thrust business areas. Of special interest to you would be financing of Green buildings at concessional rates.

In order to avail concessional interest rate for the Green Building, one of our important requirement is that the projects should have GRIHA rating, developed by TERI and administered by ADaRSH.

You are requested to give a wide publicity of the scheme amongst your stakeholders going in for green building construction to benefit them out of concessional funding provided by SIDBI in such projects.

Yours faithfully,

[R. K. Das]
