Introduction

Uttar Pradesh is already an internationally known and popular tourism destination which receives the greatest number of FTAs (Foreign Tourist Arrivals) each year. Most recently, Uttar Pradesh emerged at the top position for attracting the highest number of domestic tourists and secured third position in attracting foreign tourists with a record footfall of nearly 47 lakhs in 2019. The tourism industry in UP has a significant contribution to the states’ economic growth. It is expected that this Policy will strengthen the existing infrastructure, will foster infrastructure development, income and employment generation and increase the much-needed availability of hotel rooms for the tourists.

Uttar Pradesh has guarded India’s treasure trove of heritage and cultural assets over the ages which attract heritage enthusiasts not just from all over country but across the world. Through quality upkeep and restoration of assets designed to improve visitor experience, the state aims to increase tourism earnings and footfalls with increased ALS and to encourage repeat visits. Uttar Pradesh is now popularising new thematic tourism products such as eco-tourism, adventure tourism, rural tourism and yuva tourism as niche tourism products to build interest in new age tourists and travellers.

Department of Tourism had announced a Uttar Pradesh Tourism Policy in 2018. This policy will now be replaced by Uttar Pradesh Tourism Policy 2023. The new Policy has been formed keeping in view new emerging trends in the tourism sector, representations given by various stakeholders including the tourism and trade organisation and suggestions received from other departments. The policy primarily addresses issues related to ease of implementation through a District promotion council and Policy Implementation Unit, speedy implementation through inter-departmental coordination with departments like Revenue, Urban Development and Housing and Local Self-Government and incentivizing tourist destinations as Focus Tourist Destinations around Uttar Pradesh.

This policy will remain in force for ten (10) years, from the date of its issuance. Tourism units already registered but pending land conversion/ approval of building plan/ regularisation before the competent Authority will not be required to apply afresh. Units registered /started /established/ expanded during the 2016 policy period will also qualify for subsidy /benefits/ exemption/waiver/ concession under the provision of this policy.
Tourism Roadmap 2033

Vision

Transform Uttar Pradesh into a Global and Responsible tourism destination while ensuring best visitor experience along with ample opportunities and economic prosperity for all.

Guiding principles

Suchna (Awareness), Swagat (Welcome), Suvidha (Amenities), Suraksha (Safety), Swachhtta (Cleanliness), Sanrachna (Infrastructure) and Sahyog (Support) form the guiding principles for this policy, and intervention roadmap for the policy period.

Mission

The Government endeavours to achieve the following towards shared prosperity among all strata of tourism stakeholders.

1. Tap the tourism potential of the state by introducing new experiential tourism offerings along with world class tourist infrastructure for best tourist experience.

2. Provide a conducive business environment with investment-friendly processes and policies to encourage and sustain private sector participation.

3. Market & promote new tourism products, events, and the lesser-known destinations of the state globally to attract incremental tourist footfalls.
4. Undertake tourism specific skill development and capacity building leading to gainful employment or self-employment especially for the local populace.

Objectives

To achieve the mission, the Department has laid down a set of objectives:

1. Develop Focus Tourist Destinations (FTDs) around Uttar Pradesh promoting and developing tourism in lesser-known areas.
2. Build on thematic sectors in Uttar Pradesh incentivising investment and generating employment.
3. Collaborate between private and public sector players to create a high-quality tourist centric ecosystem.
4. Emphasis on comprehensive development of tourist ecosystem to drive the Government’s short-, medium- and long-term vision for Uttar Pradesh tourism.
5. Enhance infrastructure and tourism offerings across tourism circuits to drive quality and reach of inbound tourists.
6. Focus on developing destinations to drive growth across divisions/planning areas and serve as flagship pull factors.
7. Develop niche tourism products, including identification of USPs in villages to drive niche tourism products from UP’s heartlands.
8. Target services and tourism supply response driven by customer intelligence data from tourism touchpoints including social media handles, website and applications.
9. Develop new tourism products and services like caravan tourism, water sports, adventure activities at lesser-known tourist attractions.

- Other activities related to tourism, as notified by the Tourism Department of Central/State Government, from time to time, will also be eligible for obtaining concessions and incentives under this policy.
1. Focus Tourist Destinations (FTDs)

Uttar Pradesh has a strong intent to valorise and brand certain regions as tourism destinations in the State. Enclavisation in tourism has been a result of the need to create exclusive centres of tourism. These enclaves are often viewed as safe investments, which would ensure a steady, continuous, and reliable flow of income from tourism through all seasons. Destination development of Focus Tourist Destinations (FTDs) would entail strategically designed, and defined touristic areas for travellers with a focus on the supply side of tourism towards providing a memorable experience, quality infrastructure and best in class services to attract repeat visitors/tourists. The aim is to provide tourists a holistic end to end experience at the tourist place with all customer touch points managed in a streamlined manner.

a. The Department shall prepare a list of Focus Tourism Destinations (FTDs) for prioritized development to provide an integrated and holistic experience for the tourists. The list of FTDs of Uttar Pradesh shall be notified by the Department from time to time; 5% additional subsidies/incentives shall be provided to attract required private investment along with timely approvals for FTDs which have a high potential for tourism but see limited footfalls presently.

b. The Department shall designate certain areas as enclaves to promote safe investments and promote responsible tourism. Investments flowing into these enclaves will benefit from higher incentives provided by the Department.

c. To establish a unique destination, the state shall offer diverse and differentiated tourism products, with plethora of art, craft, music, dance, and activities bundled together to give a memorable and shareable destination experience to the tourist.

d. With focused approach on quality upkeep of the tourism assets and improving visitor experience, the state shall look forward to increased tourism related economic activities and footfall.

e. Uttar Pradesh Tourism Department shall be the nodal agency to coordinate the development and maintenance of such tourism infrastructure facilities (this includes cleanliness, waste management systems, rest areas, parking facility, road signages, information kiosks, last mile connectivity and other public services and amenities that are crucial for ensuring a memorable experience for tourists). These destinations shall also include UNESCO world heritage sites and other heritage sites in the state. Further, Uttar Pradesh Tourism Department shall seek to collaborate with relevant Government departments, agencies for development of potential tourism opportunities.
2. Thematic Sectors

The Department will identify and develop thematic areas across Uttar Pradesh. This will help in promoting niche tourism themes across the State to attract investments and generate employment.

2.1 Heritage, Art & Culture

Facilitation of the discerning tourist to explore the “Heartland of India” through streamlined and well-structured offerings across touchpoints in the visitor’s journey of the state’s cultural and heritage assets.

India is blessed with a rich history and a vibrant heritage further embodied as living museums through diverse art and culture often referred to as intangible artefacts inherited from past generations. UP’s rich culture and heritage would be a key driver further enhancing its strong positioning in this product not only domestically but also internationally. Focus shall also be placed on facilitating visitors touring culture, heritage, and archaeological assets in adjacent destinations to explore UP.

a. Identification of monuments/sites of significance in each administrative division, with potential for developing them as iconic monuments/sites undertaken. A facilitating ecosystem offering a holistic visitor experience shall be developed by adopting best practices including multilingual tourist facilitators, contactless ticketing, tourist amenities, audio visual guides, augmented reality experiences through mobiles/headgears, accommodation, and evening events such as cultural programs/night bazars.

b. The Tourism Department will work with Archaeological Survey of India (ASI), state Archaeology Department, conservation architects and national/international heritage agencies to undertake restoration projects of various underdeveloped potential tourist sites in Uttar Pradesh.

c. Joint committee comprising the stakeholder departments, i.e. Tourism, Culture, State Archaeology and ASI (Archaeological Survey of India would be formed for identification and nomination of sites along with their restoration/operations and management structure). Proposals shall be formulated on priority to apply for listing other sites of national importance (tangible heritage) under UNESCO and other world heritage programs by the Joint Committee.

d. Enhancement of the service offerings at existing tangible UNESCO world heritage sites through infrastructure maintenance/enhancement, access to adjacent assets and targeted promotions through dedicated marketing channels such as participation in fairs, summits, and roadshows would be undertaken.
e. The Tourism Department shall work closely with Departments of Information and Public Relations, Archaeology and Museums, Forest, Uttar Pradesh Handicrafts Development and Marketing Corporation, and other relevant agencies to revive and promote the culture and heritage of Uttar Pradesh while protecting its authenticity.

f. Mega events such as Kumbh Mela will be showcased on the world stage through targeted marketing and promotional activities, with efforts to enlist other such mega celebrations as intangible world heritage. The state government has been very effective to develop Ardh Kumbh as a separate tourist attraction. Similarly, events like Buddhist conclave, Yoga conclave, Sound and technology shows shall be facilitated.

2.2 Spiritual/ Religious Tourism

The state attracts a plethora of devotees from far and wide. We aim to promote a hassle free serene and spiritual experience to travellers visiting this crucible of religious, spiritual, and academic thought and beliefs. Places of spiritual significance would be promoted as cultural centres to hone this product.

a. Analysis of demand and supply statistics shall be undertaken for the developed circuits- Ramayana, Buddhist, Krishna and Sufi etc. Based on the assessment, support would be extended for setting up and enhancing the civic amenities and facilities available at religious tourist destinations.

b. Focus shall be placed on interconnecting the state circuits with national and international travel itineraries created across Hinduism, Jainism, Buddhism and Sufism. End to end infrastructure development would be facilitated specially to facilitate seamless national and international connectivity. Tourists would be able to enter and exit the circuit via international and domestic airports, special trains, helicopter services. Focused road shows and promotional campaigns shall be undertaken to promote spiritual offerings.

c. Shrine Boards to effectively regulate and monitor pilgrimage facilitation and management.

d. Availability and quality of accommodation facilities across budget preferences shall be facilitated at spiritual tourism destinations along with amenities and services. The state shall proactively promote tour packages including charters/ trains/ other travel modes to spiritual/ religious destinations for encouraging large format pilgrimage tourism towards building a sizeable market within a short period.
2.3 Eco, Nature & Wildlife

The state is home to dense forests and abundance of natural assets having rich flora and fauna which can be explored through 1 mega and 9 smaller circuits. These assets would be leveraged through planned, sustainable, and responsible tourism initiatives proposed to the Eco-Tourism Board in the state. Facilities would be developed in a planned manner with a focus on conservation and green practices including a focus on renewable energy usage.

a. The Eco-Tourism Board will jointly develop and market the ecological destinations and strategize further through the extant MoU executed for development of eco-tourism.

b. The proposed eco-tourism activities/ development shall be in accordance with the provisions of the environmental law/act of the centre/ state, especially in conformance the Wildlife (Proection) Act, 1972 and the Forest (Conservation) Act, 1980 and various other directives and/ or guidelines issued by the Government from time to time.

c. A calibrated and meaningful approach shall be followed to ensure controlled access to the ecologically sensitive areas, with a focus on Responsible Tourism. The Eco-Tourism Board will from time to time notify eco-tourism sites to promote.

d. Enhancement of current infrastructure shall be undertaken in terms of public amenities, connectivity, signage, accommodation, and F&B facilities to facilitate travel and stay experience of incoming tourists. Forest rest houses shall be developed into tourist homes which blend into the surroundings to allow tourists to explore the asset in an immersive manner.

e. Local entrepreneurship avenues would be facilitated including uptake of functioning as tourist facilitators, sale of local goods and showcase of local traditions. Local communities would be guided to increase their contribution through Eco and Nature Tourism. Villagers shall be trained and encouraged to be a part of tourism activities. This would generate employment in the remote areas and would help low-income groups earn additional income.

f. Continual and conscious focus shall be placed on garbage management and recycling initiatives; responsible and sustainable tourism initiatives and awareness measures would educate all the stakeholders including incoming tourists, to preserve the sanctity of ecologically sensitive areas.

2.4 Wellness

The state is a magnet for spiritual tourism, making it an apt destination for wellness tourism as an extension; our focus is on promotion of Yoga, Ayurveda
and other wellness related practices which are holistic in nature and gaining widespread popularity as techniques for lifestyle enhancement. The ancient Indian techniques of Yoga and Ayurveda would be focused on and strategically developed to gain national and international attention.

a. Simultaneous focus would be on upgradation of existing wellness centres in the state with development of an infrastructure and service quality monitoring framework, including quality labels.

b. An International Yoga Conclave shall be organised on an annual basis to draw more traffic and position Uttar Pradesh as a spiritual tourist destination. Conclaves and discourses on related topics shall be facilitated for an immersive experience for travellers.

c. Hire trained and experienced instructors and develop existing infrastructure to leverage the potential of Wellness and attract substantial tourist inflow.

d. The Eco-Tourism Board shall facilitate the development of Wellness centres in ecological and Nature rich areas which would provide a serene and beautiful ambience to the visitors of Wellness centres. Yoga, Ayurveda, and other programs go hand in hand with Nature, and developing specific Nature destinations, to accommodate Wellness centres, would not only attract attention of tourists, but also provide experiential tourism.

e. Develop Wellness centres in key Spiritual areas, and thus integrate Wellness with Spiritual Tourism, where in world class Wellness centres can be developed in Spiritual Areas of Uttar Pradesh like Sarnath, Shravasti (on the banks of river Tapti), Kapilvastu, Varanasi (along the river Ganga), Mathura (Vrindavan) where great emphasis has been on Spiritualism.

f. Buddhist sites attract substantial number of tourist arrivals and developing a Wellness centre in such destinations would prove to be a successful integration of Wellness and Spirituality Tourism and would form a unique tourism offering of the State.

2.5 Meeting, Incentive, Conferences & Exhibitions (MICE)

MICE, the fastest growing and high yield segments of the tourism sector is expected to facilitate tiding over seasonality experienced in the sector. Globally, the MICE segment has overtaken the traditional business trips segment; large conventions and conferences bring in significant number of high spending tourists, which boost the local economy. India’s efforts in attracting big conventions need to be re-imagined, moving from the current model of
supporting individual operators to generate business to a more result-oriented framework.

a. Suitable locations like Agra and Ghaziabad, for setting up state-of-the-art conventional centres and accommodation facilities supported by an events ecosystem shall be identified to build UP as an attractive destination for tourists and businesses by the Department. A committee shall be set up to facilitate approvals for promoters establishing expo, convention centres, exhibition rooms, hotels etc. of international MICE standards.

b. The Government authorities along with the private sector would collaborate to attract a larger share of the MICE pie at an international and national level. Close coordination shall be encouraged in identifying and attracting relevant customers. Special emphasis shall be placed on attracting international and national level multilateral meetings/ mega expositions/ events/ conferences to the state across sectors. Corporate tie-ups with established national ventures and MNCs shall be facilitated for increased MICE tourism in the state.

c. Tourism Units engaged in MICE activities shall be provided with table space at subsidized rates in Uttar Pradesh Tourism pavilions in domestic and international travel marts, for which guidelines shall be issued by the Department.

d. The department shall help entrepreneurs collaborate with hotel and transport associations of state to enhance the viability of MICE projects. Tour operators and travel agencies shall be encouraged to promote customized travel tours and packages along with MICE events as pre-event or post-event leisure activities.

2.6 Adventure

Uttar Pradesh’s unique topography is conducive to the development of Adventure Tourism, especially in areas like Bundelkhand, Sonbhadra, Chitrakoot and Ramgarh Tal. This varied topography has the potential to offer a unique adventure value proposition to tourists. Uttar Pradesh offers adventure sports options in some degree presently, best practices from which would be adopted in enhanced forms in other parts of the state.

a. Potential adventure hubs such as Banaras, Bundelkhand, Ramgarh, Chitrakoot, Chambal, Deogard and Sonbhadra shall be identified and developed as camping/trail sites and for adventure activities including ziplines, ropewalks, treks, rock climbing, cave exploration, etc.

b. Adventure Tourism Board shall be formed to facilitate development of new adventure tourism products across all formats. The board shall also ensure the
establishment and monitoring of safety and accreditation standards. Additionally they shall invite proposals to organise new adventure sports activities including Camping/ Glamping, paragliding, parasailing, aero based sports, etc. would be facilitated.

c. The Department shall conduct events to promote aero sports/ yachting/sailing / kayaking to bring tourists to sites like Gomti River. The Department shall pay a subsidy to organisers that display such niche adventure activities in key tourist destinations, for which guidelines will be issued.

d. Hot air balloon operators of global repute would be invited and assisted to set up activities such as hot air-balloon rides in destinations like Varanasi and near Dudhwa Wildlife Sanctuary which offer a picturesque landscape. This would be promoted for development as a niche service towards making UP a leading hot air-balloon destination of the country.

e. Adventure tourism is an area which has an additional responsibility of safety and risk factors that need to be taken care of; the department shall ensure international standards of safety and quality in terms of engaging trained and professional human resource and take specific care that world class infrastructure and equipment are in place. Operational protocols and safety norms would be reviewed at regular intervals to ensure conformance to global standards, with service providers monitored on a regular basis.

2.7 Water based

The State is blessed with unique assets in the form of expansive and picturesque rivers, dam catchment areas, ghats and different barrage sites conducive to development of inland water and cruise-based tourism. Emphasis would be laid on development of water and cruise-based tourism products especially in the luxury segment.

a. Development and operations of new vessels including cruises, house boats, yachts, low floor boats, etc in the states waterways through private sector collaborations in areas conducive for water-based tourism such as Varanasi would be facilitated, along with simplification of registration and approvals through Inland Waterways Authority of India (IWAI). The Tourism Department would liaison with authorities involved, especially IWAI for regular dredging and maintenance of inland waterways to ensure free movement in water channels

b. Focus shall be placed on development and upgradation of necessary land and water-based infrastructure including jetties, marinas, etc to catalyse water-based
tourism products. PPP models and private sector collaboration would be encouraged for the same in consultation with Irrigation and Water Resource Departments.

c. Potential for cruise tourism and water taxi services would be identified through PPP and private sector participation modes at locations like Agra. River exploration tours through small vessels are identified for hinterland exploration, in conformance with applicable environmental laws.

d. Water/cruise-based tourism shall be engaged to develop at least 3 destinations less frequented by tourists in the State.

2.8 Rural/ Village based Tourism

Rural Tourism initiatives would focus on allowing the visitor/tourist to actively participate in rural settings while ensuring facilitating lodging and boarding. Tourists would be encouraged to travel to rural locations and experience the daily activities of the village; this would proffer a chance to imbibe the traditions and culture of the area. Farm and plantation tourism can augment the income from agricultural activities and de-risk farmers to some extent from weather vagaries. Villages with core strength in handlooms, handicrafts, etc. can be developed with a view to facilitate income to producers, ensure continuance of the craft and offer an offbeat experience to tourists.

a. Village tourism hubs would be identified and declared within short driving distance of major tourist sites/inbound tourist arrival points such as Agra, Varanasi, Lucknow, Ayodhya, Prayagraj and Chitrakoot. The Department would identify stakeholders from the industry who specialize in rural tourism, tourism service providers from local community and tour operators apart from accommodation providers such as hotel, B&B, farm Stay owners and tourist guides.

b. The process of identification of rural tourism clusters (destinations) shall be done to create 75 model themed tourism villages across the state; one or more villages may form part of a rural tourism cluster (destination). Local entrepreneurs supporting homestays, farm stays, handicraft shops, other tourism products and experiences must also be consulted.

c. Further, a Tourism Development Plan shall be based on detailed assessment of current tourism assets and experiences. A detailed gap assessment in partnership with all the stakeholders shall be carried out and then plans for tourism development of the cluster shall be prepared.

d. Introduction of more “Green Land Agro Tourism” opportunities, e.g. Hastinapur which could include elements like a pond/ stream/ canal, boating area, house based
micro industry like a mill/ workshop/ agro industry and traditional houses; this setup would help tourists especially those coming from different countries and cities experience rustic UP life.

2.9 **Cuisine Tourism**

Culinary tourism is also an important branch of tourism in that it can promote local businesses, as well as help to shine a light on different cuisines. Culinary tourism helps in attracting interested tourists who are keen to try something new and share it with the world. In this way, it helps to boost community pride and is a great example of cultural tourism.

a. Shall aim to organise food festivals around the State to promote local cuisines and delicacies

b. Shall plan an annual event attracting domestic and international tourists to taste and dine the different palates of the districts of Uttar Pradesh

2.10 **Wedding Destination Tourism**

Uttar Pradesh has the top tourism draw of India, easily recognized world over. With the Taj Mahal, an epitome of love within the State, the Department aims to develop wedding tourism as a niche product in its policy.

a. Identification of Wedding Tourism destinations to be listed in an online inventory system to aid wedding planners and event management firms.

b. Palatial/Heritage properties and gardens in government undertaking to be offered for hosting events. Incentives shall be decided by the Department to aid grand marriages taking place in heritage properties

c. The Department shall also promote wedding tourism in MICE convention centres

d. Department of Tourism will participate in Indian and International events to promote Uttar Pradesh as a wedding destination.

3. **Mega Circuits and enhancement of present offerings**

Uttar Pradesh is one of the most preferred states in the country due to the presence of a unique bouquet of tourist attractions. Taking advantage of existing tourism products including the creation of mega circuits, the Government has presently developed 12 mega circuits as given below. The department aims to develop wayside amenities and additional offerings in these destinations and circuits further to enable its convergence with private sector, central government, and related agency efforts to increase tourist footfalls.

1. Ramayana Circuit
2. Krishna / Braj Circuit
3. Buddhist Circuit
4. Mahabharata Circuit
5. Shakti Peeth Circuit
6. Adhyatmik Circuit
7. Sufi / Kabir Circuit
8. Jain Circuit
9. Bundelkhand Circuit
10. Wildlife & Eco Tourism circuit
11. Craft Circuit
12. Swatantrata Sangram Circuit

Among the 12 circuits, Bundelkhand will have large focus on Adventure tourism and the Wildlife circuit will have Eco and Nature Tourism as the prime focus. Other circuits like the Buddhist, Sufi and Ramayana circuit are more suitable to develop spiritual, cultural, heritage and wellness tourism. Going ahead, the department will promote circuits but not limit incentives and investments within these circuits.

a. Preparation of an area based tourism master plan to assess the infrastructure gaps in the State will be undertaken. The aim will be to develop tourism in the whole state of Uttar Pradesh and integrate those areas that are lesser-known and have a less hotel room density per lakh of population within the ambit of the policy.

Focus on increasing the total number of visits to all the destinations on the circuit through product enhancement and provision of seamless connectivity to attractions across destinations located in the State. Focus shall be placed on ensuring ease of access from international and national inbound entry points to those of the circuit.

b. Dedicated tourist coaches shall be developed for various thematic circuits along with relevant marketing strategies to popularize them. Having customized coaches would bring out the aspect of experiential travelling and enhance tourist satisfaction.

c. Additional offerings/gamification of isolated tourist sites would be done to optimize footfall. Lesser-known destinations within the circuits to be highlighted through appropriate media and department related websites. Tour and travel operators will be engaged to promote and market these new destinations to target group of travellers.

d. Tourism specific signage elaborating on the asset, things to do, specialities, etc. would be raised at all major and nearby tourism destinations

e. Development of world class wayside amenities across all the tourism circuits with involvement of active private participation in the development and maintenance of infrastructure is envisaged to meet the overall tourism development mission enabled through circuits.
4. Categories under Tourism Policy

The State is conscious of the latest trends in the hospitality and tourism industry, especially changes emerging after the advent of pandemic COVID-19. Visitor focus is shifting to new and creative avenues of tourism, and Uttar Pradesh has the potential to cater to the changing expectations of the tourists. It is in this context the State envisions development of new and unique travel experiences for showcasing the unique offerings of the State. By focusing on these niche areas, the State aims to further enhance its competitive edge in the tourism industry. The following strategic initiatives have been proposed in this context.

a. Caravan based tourism

With ease of intra and interstate connectivity, caravan tourism is gaining popularity among travellers. This tourism product would be developed specially to encourage weekend travellers and increase travel along tourism circuits.

a. Caravans shall be specially constructed vehicles for tourism (minimum wheelbase 3 m and length 5 m) used for group-oriented leisure purpose and having at least 2 bed capacity. Minimum requirements of caravans would be as prescribed by the Ministry of Tourism and technical specifications as approved by the competent authority. Liaising will be done for making provisions to get the vehicles approved by the Transport Department (RTO).

b. Caravan Parks would be developed in Bundelkhand and Vindhya regions to enable travellers to explore the immense natural beauty and historical significance of assets. Private partnerships would be facilitated in such development projects to leverage the advantages of private investments in development and O&M. Caravan parking bays would be developed in coordination with the industry.

c. Caravan parks would be developed near (within 20 km radius) wildlife sanctuaries / national parks to promote the uptake. These may also be promoted in the vicinity of lakes, rivers and natural water bodies.

d. FAM Tours (Familiarization tours) would be organised across National Parks, Sanctuaries and other caravan touring sites for private operators, reputed agencies, and social media influencers post approvals by the Department to enable sector growth.
b. **Rural homestays**

This product would offer travellers a peek into the heart of UP’s villages through stay and experiential travel packages while allowing owners to enhance their income. Emphasis would be placed on offering an authentic visit, in safe and hygienic settings for the tourist to experience first-hand the culture and flavour of UP.

a. Residents are encouraged to develop and maintain authentic, comfortable, safe and hygienic homestays with essential amenities to offer a unique experience-based visit to the visitors. Accreditation and certification norms would be developed for planned growth of these offerings. The premises would necessarily be solely residential units and the owner would need to physically reside therein along with family to qualify as a homestay.

b. Mechanism for voluntary certification shall be pursued by service providers and the department shall encourage such labels for the promotion and benefit of Home Stays. Such certification and labels shall be subject to strict periodic monitoring and audit by the department to ensure that facilities maintain required standards of safety, quality, and hygiene.

c. Web/App/Aggregator/Portal based booking options would be explored for Government accredited and certified facilities. These would provide information about the home, travel options, other tourist information, emergency contact and support.

d. Training and skill development programs in soft skills, tourism facilitation (guide), customer service and hospitality would be provisioned for interested homestay owners to cater to the needs of this niche area of tourism. Local villagers would be encouraged to be partners in the development of homestays to not only enhance the flavour of a traveller’s experience but also skill and help uplift the economic conditions of the local populace.

c. **Tented Accommodation**

The state has number of natural destinations in rural, wooded and riverside areas for camping. Various facilities including signage, public amenities, camping sites, provision stores etc. are planned to be developed along with signboards for nature trails, exploration tours and parallel activities would enhance the entire camping experience and develop a niche sector for tourism growth in the state. Focus would be on safe and responsible tourism especially
minimal negative impact on the state with conscious waste management activities.

a. Various camping sites will be identified and demarked for carrying on camping activities wherein necessary infrastructure would be developed to enable the tourists to stay in natural surroundings to experience the wilderness and overnight camping.

b. Moreover, to protect the pristine environment, construction planned would be in cognizance with the natural landscape and in line with environment protection norms/regulations especially in protected wildlife/forest areas.

c. Focus locations include Garhmukteshwar (outside forest area of Hastinapur), Ayodhya (towards Gonda), Kaithi Village (Varanasi), Chunar (Mirzapur), Sharda Sagar Dam (Lakhimpur Kheri) and Matatila Dam (Jhansi)

d. **Sound and Light Show (Son et Lumiere SEL)**

   Sound and Light show is usually done on a gigantic scale, an interesting show where audiences get to travel back in the oldest times, a visual treat for tourists/audiences.

a. Further, ASI would be contacted for identification of historic monuments sites, Museums, and places of national importance for successful mounting of Sound and Light show.

b. It is suggested that entry to the show shall be free for a limited period, once the show has gained momentum an entry ticket shall be levied. This will not only boost the revenue but will also increase the footfall of the tourist.

c. Department will onboard 360-degree marketing agency for promoting Sound and Light show at large.
5. Heritage Properties/Hotels

As per the definition of the Department of Tourism, Government of India, the heritage value old buildings /forts/havelis/kothis/castles constructed prior to 1950, on being operated as hotels will be included in the category of heritage hotels. Heritage hotels can be of any size and dimension.

Any place which has the potential of developing into a heritage tourism place or not, its examination, project proposal and regular monitoring will be done by The District level Committee constituted under the Chairmanship of the District Magistrate. However the approval for grant of subsidy will be through the State Level Committee (SLC).

Specific incentives

a. Amount equal to the capital funding of 25% of the capital cost of the project cost or INR 1.5 Crore, whichever is less, will be given by the Government of Uttar Pradesh, under the capital investment subsidy for the construction/expansion of heritage hotels. 120% amount of the loan obtained by a promoter from a nationalized bank for any project of construction/extension of heritage hotel, will be considered as the project cost.

b. 25% of only that portion of this total project cost will be given by the state government as capital investment subsidy, expenditure of which is proposed to be under the capital head. The maximum limit of capital investment subsidy would be INR 1.5 Crore.

c. In the event of getting project appraisal from financial institutions licensed and approved by the Reserve Bank of India (RBI) and on taking loan from such institutions for construction of heritage hotels in the state, 5% interest subsidy would be given in favour of heritage hotel owner, for 5 years.
d. The liability of interest subsidy would be permissible up to a maximum of 5 years period, from the date of approval of loan. The above interest subsidy would be permissible to a maximum of INR 5 Crore loan and admissible subsidy to a maximum of 25 Lakh, for 5 years.

e. Note: Heritage hotels are entitled to avail, both the Capital Investment Subsidy and the Interest Subsidy. Protected monuments will not be considered under this policy

g. Exemption in Stamp Duty: If for establishing a heritage hotel, any building and its appurtenant land is purchased, then on such transfer deeds, 100% of the payable stamp duty will be exempted in the form of subsidy by the Department, provided the owner of the building and its appurtenant land is the same person

h. Land Use Conversion Charge: If in any development area, where land-use is demarcated, and old properties of heritage value are converted into heritage hotel, then the concerned Development Authority would give 100% waiver in conversion charges, terming such land-use of the converted property as 'Heritage Hotel'.

i. Road Link Route: The state government would give preference to the arrangement of better and encroachment free link roads to the heritage hotels. It will also be ascertained that the roads built by the Public Works Department (PWD) would be for public traffic and proposed roads should not be personal property.

j. Publicity Broadcasting: The Department would do the publicity broadcasting of products and activities related to the heritage tourism, through mediums like the Department's tourism literature, website, etc.

k. The Department would form a committee, which will tour from time to time to examine heritage units and will take action to address the difficulties before them and provide necessary cooperation.

6. Incentives, Subsidies and Concessions

These interventions have been designed to attract maximum investments and boost the tourism sector at large in the State.
The following additional incentives/subsidies/concessions shall be extended to all starred Eligible Tourism Projects (hospitality industry projects that are 3 star and above) registered with the Uttar Pradesh Tourism Department.

1. Sanction of electricity load on priority.
2. Taxes of local bodies including Nagar Nigam and Jal Sansthan as levied on the industries to be applicable on the tourism units.
3. Hotel construction to be permitted in the industrial areas as per the policy decided by relevant industrial authority.

Preference to be given to research conducted via hospitality association and institutes directly.

7. Government Facilitation

a.  Responsible Tourism

Uttar Pradesh lays significant emphasis on the preservation of its natural assets and safeguarding ecologically sensitive areas in a sustainable, responsible and conscientious manner. It is highly conscious of the fact that while it is important to develop and promote tourism and gain a competitive edge, it is imperative that Responsible Tourism principles are followed across the board. Sustainable and eco-friendly tourism behaviour is promoted towards Uttar Pradesh emerging as a major responsible tourism destination.

   a.  Emphasize on conservation of natural assets and heritage of the state by ensuring regulations are in place and are periodically monitored.
b. Encourage activities which will establish a meaningful connect between the local community and the tourists and design programs where in tourists become aware of local cultural and environmental significance.

c. Develop and incentivize activities which are environmentally friendly and pollution free such as cycling tours, heritage and food walks. Such initiatives would not only cater to Responsible Tourism but also provide experiential tourism to the visitors.

d. Ensure that individual tourism products focus on engaging certified and accredited service providers and products only. This is particularly applicable in the areas of Eco and Nature Tourism and Adventure Tourism which are closely linked to nature and are developed in ecologically sensitive areas.

e. Focus would be placed on adoption of renewable energy, waste management and segregation techniques.

f. The number and spread of tourist police stations would be progressively increased across high international and national tourist footfall areas to assist specific concerns of locals; the station would also have personnel fluent in English and at least one foreign language. Ex-service personnel may also be deployed for the purpose, including at high density tourist locations where police stations have not been established.

g. A Responsible Tourism Board would be set up to monitor responsible/safe/sustainable and related tourism initiatives while creating synergies between stakeholder departments. It would also supervise incentive disbursement.

b. Skill Development

Uttar Pradesh lays a major emphasis on upskilling the local population and making them partners in tourism development. Holistic development of tourism by involving the local populace, small scale and medium scale industries is key to the development process. Along with this skill development is also focussed for high value and highly skilled roles which are key to development of the high end and luxury tourism sectors.

a. Special focus is placed on mitigation of the human resources gap in the tourism industry bridged by training tour guides, home stay hosts, other formal and informal sector service providers.

b. Multilateral and international funding agencies, CSR wings of the private sector and NGOs would be encouraged to support and skill local entrepreneurs through capacity building programs designed to the area in question.

c. Training and refresher courses shall be organized on annual basis with MKITM (Manyawar Kanshiram Institute of Tourism Management), Lucknow for all tourism/
hospitality related personnel/ guides and other certified persons registered with the Department. This would be based on periodic research conducted on the tourism and hospitality industry, latest trends and requirements and analysis of gaps by conducting periodic research on current skills of the existing professionals.

d. Partnerships shall be formed with interested groups like local authorities, universities and educational institutes, entrepreneurs and corporate CSR wings for investments and training and develop skill development process on international standards. Partnerships would be facilitated with empanelled NGOs for training and skilling local entrepreneurs and indigenous people to promote eco-tourism, rural tourism and other wellness tourism.

e. Short time skill development courses offered by various institutes shall be recognized by the Department of Tourism, in association with UPHRA, FHRAI, HRANI, TAAI, IATO and TAFI for employment generation.

f. Reimbursement of 100% of hospitality related course fees, for up to INR 10,000 per person per course, with the course duration of fortnight.

g. Training to tourist guides from local areas with a stipend of INR 5,000 registered with the Department. The reimbursement shall be limited to training of 500 service providers for three years.

c. **Differentiation through Geographical Indications of Goods (GI tags)**

Uttar Pradesh has 36 registered GI tags\(^1\) across Agriculture, Handicrafts and Manufactured products under the Geographical Indications of Goods (Registration and Protection) Act, 1999. This policy would facilitate adoption of GI registration by local artisans by employing means for monetisation and promotion through tourism services. Experiential tourism would be used creatively to facilitate added value through intellectual property (IP) to manufacturers, artisans and farmers by simplifying entry to the tourism value chain.

a. Trainings and skill development initiatives targeted at enhancing the soft skills and tourism offerings of GI tagged service providers would be facilitated.

b. The *Allahabad Surkha Guava, Mango Malihabadi Dusseheri, Kalanamak Rice, Basmati Rice, Rataul Mango* and *Mahoba Desawari Pan* have registered GI tags. Tourism products based on agro, and experiential tourism would be developed to

---

\(^1\) GI is a platinum standard granted to unique geographical origin-products and regulated worldwide under the World Trade Organization Agreement on Trade-Related Aspects of Intellectual Property Rights.
help tourists explore various manufacturing and related processes associated with these products.

c. Curated experiential tours, especially through rural and hinterland tourism would be employed to showcase the wealth of offerings hidden in manufacturing and handicrafts GI tags. Focus would be placed on encouraging addition of further GI tags for unique handicraft offerings of the State. Special handicraft stalls, online sales and immersive activities/tours would be organised for drawing artisans into the tourism value chain.

d. Curated experiential activities involving unique food preparations of Uttar Pradesh, exclusively available only in the state, such as *Agra Petha (sweet dish)*, *Mathura ka Peda (sweet dish)* and *Galawati kababs* (Lucknow) would be facilitated.

e. Joint committee comprising the stakeholder departments, i.e. Tourism, Culture, Handicrafts, Textiles, Development & Marketing Corporation Ltd., Industries and Internal Trade, MSME and Export Promotion, Agriculture, Horticulture and Food Processing would be formed for identification and nomination of GI tags. The Department will also collaborate with the State Level Board set up to promote GI products

**d. Youth (YUVA) tourism**

Youth tourism clubs have been identified as a means for inculcating responsible and sustainable tourism in the country by “catching them young”. This initiative is expected to facilitate youth to develop a deeper understanding of UP and by extension Indian culture and heritage through the medium of tourism; the clubs would also highlight the importance of travel and tourism at various academic institutions.

a. Tourism clubs would be encouraged in educational institutions across schools and colleges. The Department will engage with government and private schools and colleges through associated Government agencies to facilitate and encourage educational and recreational trips in the state. Youth wings like National Cadet Corps (NCC), National Service Scheme (NSS), Yuva Mangal Dal, Mahila Mangal Dal, etc would also be engaged to visit nearby tourism destinations

b. Government and private hospitality and management institutes would be encouraged to organise sustainable and responsible tours especially along tourism circuits in line with the United Nations Sustainable Development Goals (SDG) agenda.

c. Information and itineraries on specific tourism circuits- eco-tourism, heritage walks, handicrafts tourism, wildlife sanctuaries, etc shall be shared on relevant
platforms to encourage travel. The department shall interact with the youth, especially influencers through social media and surveys which would help in improving the facilities and developing young ambassadors of Uttar Pradesh tourism.

d. The department shall also support institutes through associated Government agencies in organizing inbound and outbound inter-State school trips by facilitating a connect with other State tourism boards.
