Creating Awareness Through Academics Leading to Youth's Sustainable Transformation

A Membership Programme for Academic Institutions

A GRIHA Council Publication

CATALYST Membership

Academic institutions play a vital role in shaping budding minds to build and sustain a better tomorrow. This is done by imbibing skills such as critical thinking, communication, collaboration, creativity, and so on. GRIHA Council comprehends that sustainability is not only a desirable skill set these days but also is a mindset with which the present generation must grow. In line to these thoughts, the CATALYST membership is developed for academic institutions across the nation. Students of the member institutions can avail attractive benefits at nominal rates.
